A scheme for passing places in Station Road has been submitted to the Local Highways Panel (LHP) which has currently run out of money but will have a new budget in March.

Cllr Abbott was asked about the BDC Scheme of Delegation Review and what it would mean for applicants, he replied that there were a number of positives including the creation of a Members Forum where applicants would be able to present their proposals to members of the Planning Committee at pre-application, pre-submission and application stages of the process, however if an application is called in or objected to it would go to the Chair of the Planning Committee who will decide whether or not the application should be referred to the Planning Committee adding an additional layer of procedure to the process.
